27G .0205 (C-D) Assessment/Treatment/Habilitation Plan 10A NCAC 27G .0205 ASSESSMENT AND TREATMENT/HABILITATION OR SERVICE PLAN

(c) The plan shall be developed based on the assessment, and in partnership with the client or legally responsible person or both, within 30 days of admission for clients who are expected to

receive services beyond 30 days.

(d) The plan shall include: (1) client outcome(s) that are anticipated to be achieved by provision of the service and a projected date of achievement; (2) strategies; (3) staff responsible; (4) a schedule for review of the plan at least annually in consultation with the client or legally responsible person or both; (5) basis for evaluation or assessment of outcome achievement; and (6) written consent or agreement by the client or responsible party, or a written statement by the provider stating why such consent could not be obtained.

(D)

The plan shall be updated and reviewed once consumer(s) displays new behavior(s). The Qualified Professional is the designated staff responsible for this updated plan. This plan will be developed based on the consumers new characteristics shown. New goals should/will be implemented and included in the consumers PCP to reflect the new presenting behaviors. The Qualified Professional will review this plan monthly during the CFT meetings or as the new behaviors increase or decrease. Coping skills should/will immediately be identified and implemented when the consumer is in crisis.

The plan shall include: (1) client outcome(s) that are anticipated to be achieved by provision of the service and a projected date of achievement; (2) strategies; (3) staff responsible; (4) a schedule for review of the plan at least annually in consultation with the client or legally responsible person or both; (5) basis for evaluation or assessment of outcome achievement; and (6) written consent or agreement by the client or responsible party, or a written statement by the provider stating why such consent could not be obtained.

This update has been implemented and updated/added in our policy and procedures section 27G .0205 (C-D) Assessment/Treatment/Habilitation Plan 10A NCAC 27G .0205 effective immediately as dated 08/30/2022.

MACS VILLAGE LLC

27G .0303(a) Site Location 10A NCAC 27G .0303 LOCATION AND EXTERIOR REQUIREMENTS

(a) Each facility shall be located on a site where: (1) fire protection is available; (2) water supply, sewage and solid waste disposal services have been approved by the local health department; (3) occupants are not exposed to hazards and pollutants that may constitute a threat to their health, safety, and welfare; and (4) local ordinances and zoning laws are met.

(A(3))

(3) occupants are not exposed to hazards and pollutants that may constitute a threat to their health, safety, and welfare.

All potentially hazards materials and pollutants that may constitute a threat to their/consumers health, safety, and welfare of the consumers will/shall be locked and put away after each usage. Staff will conduct a shift walk through daily to ensure ALL cleaning products including sprays, wipes, and sanitizing (wipes and sprays) will be put away immediately after usage without anything being left out for exposure. Staff will conduct a shift walk through to ensure all cabinets are successfully locked and no products left out after (daily, weekly, and as needed) cleaning and prior to shift ending daily.

This update has been implemented and updated/added in our policy and procedures section 27G .0303(a) Site Location 10A NCAC 27G .0303 effective immediately as dated 08/30/2022.

R. POLICY: Minutes of the Governing Body

Minutes of the governing body shall be duly recorded and permanently maintained and stored in a locked file cabinet.
