| W 000   | A revisit was conducted on August 17, 2023 for   |  | W 000                                  |     |  |                               |                            |
|   | 2023. All deficiencie non-compliance wa  | ncies cited on March 20 - 21,<br>es were corrected and no new<br>is found. The facility is in<br>regulations surveyed. |  |     |  |                               |                            |
|   |  |  |  |     |  |                               |                            |
|   |  |  |  |     |  |                               |                            |
|   |  |  |  |     |  |                               |                            |
|   |  |  |  |     |  |                               |                            |
|   |  |  |  |     |  |                               |                            |
|   |  |  |  |     |  |                               |                            |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
