V 112	<p>Continued From page 12</p> <p>Proceeded to room without incident. He did however turn off the alarm, remove the sensor off the wall, and then opened the window and exited the building. The police came by with [client #4] and found him at the [local convenience store]. He also closed the window behind him so his intent was clear. The window lock was also bypassed by [client #4] (the little plastic piece you have to push in to open the window) . . . [client #4] interloping from his bedroom was not discovered until after he was brought back to the house by law enforcement . . . Corrective Actions Taken: Not allowed in room for rest of the morning and is being kept under a tight watch. Plan of future Corrective Actions: I recommend alarm systems that are nailed or screwed into the fram of the window or even the permanent sealing of the window to prevent incident." The QP/DS was notified of the incident by telephone 8/03/23 at 4:20 am. The duration of client #4's absence was not documented.</p> <p>- 8/25/23 12:00 am completed by staff #1: ". . . After going to check on him about 15 min (minutes) later, staff noticed that [client #4] had left the house out his window. He had disarmed the alarm . . . Corrective Actions Taken: [client #4] is remaining out in the living room to be in staff eyesight at all times to include when he is sleeping . . .;" the duration of client #4's absence was not documented; the report was approved by QP/DS 8/31/23 2:31 pm.</p> <p>Review on 9/20/23 of a shift communication note ("T-Log") dated 8/06/23 revealed staff #4 reported ". . . This morning around 3am resident attempted to run away . . . Going out of the window in his bedroom . . ." Incident was "Reported on 08/06/23 12:00 am."</p> <p>Review on 9/19/23 and 9/20/23 of client #3's</p>	V 112

V 112	Continued From page 17 placement at the facility required enhanced staffing of 2 staff per shift due to his elopements and the associated safety risks; however, the DS/QP had no staff schedules and there was no documentation from the facility to support the LME/MCO staffing requirement was met. Client #4 had 5 documented elopements between 3/06/23 and 9/19/23 with 2 of those involving local law enforcement and 1 documented elopement attempt. During the elopement episode on 3/06/23 client #4 left the facility at 1:30 am and broke into a neighbor's home; on 8/03/23 client #4 eloped at 4:15 am and was found by local law enforcement at a convenience store across a busy street a few blocks away from the facility. He also eloped 7/27/23 at 4:30 am and was found 20 - 30 minutes later and returned by local police. He eloped at midnight on 8/25/23, but the duration of his absence was not documented in the incident report. With the exception of the 7/27/23 elopement there was only 1 staff on duty at the time of these elopements. Enhanced staffing was recommended for client #4 by the LME/MCO. This deficiency constitutes a Type A1 violation for serious neglect and must be corrected within 23 days. An administrative penalty of \$2,000.00 is imposed. If the violation is not corrected within 23 days, an additional administrative penalty of \$500.00 per day will be imposed for each day the facility is out of compliance beyond the 23rd day.	V 112

V 117	Continued From page 25 During interview on 9/20/23 the Qualified Professional/Director of Services stated: - "I pick medications up from the pharmacy now to make sure everything that's supposed to be there is there." - She did not know where the pharmacy label for client #3's oxcarbazepine was. This deficiency is cross referenced into 10A NCAC 27G .0209 Medication Requirements (V118) for a Type A1 rule violation and must be corrected within 23 days.	V 117		
V 118	27G .0209 (C) Medication Requirements 10A NCAC 27G .0209 MEDICATION REQUIREMENTS (c) Medication administration: (1) Prescription or non-prescription drugs shall only be administered to a client on the written order of a person authorized by law to prescribe drugs. (2) Medications shall be self-administered by clients only when authorized in writing by the client's physician. (3) Medications, including injections, shall be administered only by licensed persons, or by unlicensed persons trained by a registered nurse, pharmacist or other legally qualified person and privileged to prepare and administer medications. (4) A Medication Administration Record (MAR) of all drugs administered to each client must be kept current. Medications administered shall be recorded immediately after administration. The MAR is to include the following: (A) client's name; (B) name, strength, and quantity of the drug; (C) instructions for administering the drug;	V 118

V 118	Continued From page 37 Disability, ADHD, Tourette's Syndrome, Smith-Magenis Syndrome, and citrullinemia. Medications prescribed for the clients included anti-psychotics, anti-depressants, anti-convulsants, antihistamines and other medications for medical conditions. From July 1 - September 19, 2023, there were 172 instances of no documentation of administration of prescribed medications for the four clients served. The MARs also included transcriptions for 2 medications that did not accurately reflect current physician's orders. One bottle of an anti-convulsant had no pharmacy label. The facility also failed to maintain copies of current medication orders. This deficiency constitutes a type A1 rule violation for serious neglect and must be corrected within 23 days. An administrative penalty of \$2000.00 is imposed. If the violation is not corrected within 23 days and additional administrative penalty of \$500.00 per day will be imposed for each day the facility is out of compliance beyond the 23rd day.	V 118		
V 133	G.S. 122C-80 Criminal History Record Check G.S. §122C-80 CRIMINAL HISTORY RECORD CHECK REQUIRED FOR CERTAIN APPLICANTS FOR EMPLOYMENT. (a) Definition. - As used in this section, the term "provider" applies to an area authority/county program and any provider of mental health, developmental disability, and substance abuse services that is licensable under Article 2 of this Chapter. (b) Requirement. - An offer of employment by a provider licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a State and national	V 133

V 742	<p>Continued From page 48</p> <p>Observations during a walk through of the facility on 9/19/23 at approximately 11:32 am and 10/5/23 at approximately 12:26 pm of the facility revealed:</p> <ul style="list-style-type: none"> - Client #1's bedroom had a double window, facing the street, with no curtains or blinds. Three of the 4 glass panes did not have privacy film. - The inside of client #1's bedroom was visible from the front yard. - A sheer brown curtain covered the window facing the street in client #4's bedroom. The street was clearly seen through the curtain. From the outside of the facility, in bright sunlight, the light inside client #4's bedroom was clearly seen through the curtain. <p>Interview on 10/5/23 the Qualified Professional/Director of Services (QP/DS) stated:</p> <ul style="list-style-type: none"> - When asked about client #1's windows QP/DS responded, "[Client #1] had some curtains on the windows but he took them down. [Client #1] is short, you can't see him out of the bottom window, Didn't you already do a walk through the other day with [Licensee]; well I don't know either." <p>Interview on 9/19/23 the Licensee stated the facility had a maintenance person, he was behind on repairs and his wife had recently passed so he was unavailable.</p>	V 742
