Staff B was not observed to sign off on a medication administration record (MAR) that client #3 took his medication. Observation of Staff B at 8:02am, she returned to the medication room to get the MAR to document her med pass for client #3. Interview on 7/16/24 with Staff B revealed she was aware that she left client #3's medication on the counter when she left the room to get him. Staff B revealed she did not document in the MAR because the surveyor and director were in the room at the table where the MAR was kept and she intended to come back later to record. Interview on 7/16/24 with the Director who revealed she was a nurse, acknowledged Staff B should encourage the clients to participate in self-administration of their medications but it was okay to do it without the clients present. The Director also revealed staff should document medications in the MAR when given, instead of leaving the room and needing to come back to chart.	W 342
