W 369	<p>DRUG ADMINISTRATION CFR(s): 483.460(k)(2)</p> <p>The system for drug administration must assure that all drugs, including those that are self-administered, are administered without error. This STANDARD is not met as evidenced by: Based on observations, record review and interviews, the facility failed to ensure all medications were administered without error. This affected 1 of 4 clients (#4) observed receiving medications. The finding is:</p> <p>During morning observations of medications administration in the home on 9/4/24 at 8:39am, client #4 ingested Tradjenta, Glimepiride, Metformin, Flomax, Enalapril, Docusate Sodium and Tegretol. No other medications were observed to be administered during this time.</p> <p>Interview on 9/4/24 with the Home Manager (also the Medication Technician) confirmed the medications observed were the medications client #4 normally receives in the morning.</p> <p>Review on 9/4/24 of client #4's most current physician's orders signed by the physician on 7/1/24 noted an order for Aspirin low chew 81 mg once daily at 7:30am.</p> <p>Interview on 9/4/24 with the facility's nurse confirmed client #4's most current physician's orders indicate he should receive Aspirin 81 mg in the morning.</p>	W 369	<p>W369 The Registered Nurse will receive training from the Clinical Director by October 1, 2024, regarding the QMR and medication orders to ensure orders match medications. The RN will quality check when delivered according to physician's orders including times of administration. The RN will do quality checks monthly on MAR to ensure it matches the QMR and orders.</p>	10/31/24	
W 460	<p>FOOD AND NUTRITION SERVICES CFR(s): 483.480(a)(1)</p> <p>Each client must receive a nourishing,</p>	W 460	<p><i>Mon Day Clinical Director</i></p>	9/12/24

W 460	Continued From page 15 well-balanced diet including modified and specially-prescribed diets. This STANDARD is not met as evidenced by: Based on observations, interviews and record reviews, the facility failed to ensure 1 of 3 audit clients (#3) received their specially-prescribed diets as indicated. The finding is: During observations at the home on 9/4/24 at 7:35 am, client #3 was served Cheerios, a whole blue berry muffin, and fruit cocktail. Staff broke up the muffin and the other items remained unaltered. Interview on 9/4/24 with Staff C revealed client #3's diet consistency is ground and the consistency works better with softer foods. Additional interview with Staff B revealed client #3's food consistency is chopped, but not as fine as ground beef. Review on 9/4/24 of a physician's order dated 7/22/24 revealed client #3 should receive a soft ground diet. Interview on 9/4/24 with the Qualified Intellectual Disabilities Professional (QIDP) confirmed client #3's food texture should be ground per her current physician's orders.	W 460	W460- Staff will receive training from the Dietician by October 15, 2024, regarding nourishing, well-balanced diet including modified and specially prescribed diets and consistency. All new staff will receive training at orientation by the QP and by the Dietician as needed. On-going monitoring regarding modified diets and specially prescribed diets will be monitored by the Residential Coordinator, QP and the Director of Services. The Dietician will monitor once per month.	10/31/24
