V 290	27G .5602 Supervised Living - Staff 10A NCAC 27G .5602 STAFF (a) Staff-client ratios above the minimum numbers specified in Paragraphs (b), (c) and (d) of this Rule shall be determined by the facility to enable staff to respond to individualized client needs. (b) A minimum of one staff member shall be present at all times when any adult client is on the premises, except when the client's treatment or habilitation plan documents that the client is capable of remaining in the home or community without supervision. The plan shall be reviewed as needed but not less than annually to ensure the client continues to be capable of remaining in the home or community without supervision for specified periods of time. (c) Staff shall be present in a facility in the following client-staff ratios when more than one child or adolescent client is present: (1) children or adolescents with substance abuse disorders shall be served with a minimum of one staff present for every five or fewer minor clients present. However, only one staff need be present during sleeping hours if specified by the emergency back-up procedures determined by the governing body; or	V 290	v290 The Qualified Professional will consult with the Care Manager to have the PCP addended to reflect current needs and clarify the hours he requires 1:1 supports. The clinical team will monitor through interaction assessments 2x a week for a period of 30 days and then on a routine basis. In the future, the Qualified Professional will ensure PCP's are followed as written.	12/6/24
