V 118	27G .0209 (C) Medication Requirements  10A NCAC 27G .0209 MEDICATION REQUIREMENTS (c) Medication administration: (1) Prescription or non-prescription drugs shall only be administered to a client on the written order of a person authorized by law to prescribe drugs. (2) Medications shall be self-administered by clients only when authorized in writing by the client's physician. (3) Medications, including injections, shall be administered only by licensed persons, or by unlicensed persons trained by a registered nurse, pharmacist or other legally qualified person and privileged to prepare and administer medications. (4) A Medication Administration Record (MAR) of all drugs administered to each client must be kept current. Medications administered shall be recorded immediately after administration. The MAR is to include the following: (A) client's name; (B) name, strength, and quantity of the drug; (C) instructions for administering the drug; (D) date and time the drug is administered; and (E) name or initials of person administering the drug. (5) Client requests for medication changes or checks shall be recorded and kept with the MAR file followed up by appointment or consultation with a physician.	V 118	In accordance of 10A NCAC 27G .0209 MEDICATION REQUIREMENTS Eason Court Group Home will ensure the MAR is kept current with active prescriptions and that physician orders for all medications listed on the MAR were maintained in the facility.  Corrective Action to Be Taken (Immediate Fix): 1. A designee will review all current MARs against physician orders to identify and correct discrepancies. 2. Any missing or outdated physician orders will be obtained from the prescribing physician immediately and filed in the resident's chart. 3. Residential staff will be re-educated that medications cannot be administered unless the MAR matches the physician's current order and the written order is available in the facility.  How the Facility Will Correct the Issue Going Forward: • Upon receipt of any new or changed physician order, nursing staff will immediately update the MAR. • A second residential staff will verify that the MAR entry matches the physician order before administration. • Residential staff will review MARs during each shift to ensure entries reflect current physician orders. Any discrepancies will be corrected immediately	08/25/25
