V 117	Continued From page 12  - Had last checked the medications at the facility in November 2025 - Was not aware there were tablets in the shoebox tote for client #1's medications that were not in the blister packs - Denied ever bringing medications to the facility in a plastic bag	V 117		
V 119	27G .0209 (D) Medication Requirements  10A NCAC 27G .0209 MEDICATION REQUIREMENTS (d) Medication disposal: (1) All prescription and non-prescription medication shall be disposed of in a manner that guards against diversion or accidental ingestion. (2) Non-controlled substances shall be disposed of by incineration, flushing into septic or sewer system, or by transfer to a local pharmacy for destruction. A record of the medication disposal shall be maintained by the program. Documentation shall specify the client's name, medication name, strength, quantity, disposal date and method, the signature of the person disposing of medication, and the person witnessing destruction. (3) Controlled substances shall be disposed of in accordance with the North Carolina Controlled Substances Act, G.S. 90, Article 5, including any subsequent amendments. (4) Upon discharge of a patient or resident, the remainder of his or her drug supply shall be disposed of promptly unless it is reasonably expected that the patient or resident shall return to the facility and in such case, the remaining drug supply shall not be held for more than 30 calendar days after the date of discharge.	V 119	V-119 Plan of Correction * This deficiency has been corrected by disposing all inactive medication by sending back to the pharmacy we use for disposal.  * The QP/RN will monitor medications weekly to ensure all prescription medication is current and effect the appropriate disposal via facility's pharmacy provided when needed  * Monitoring will be weekly  * Date of compliance 12-08-2025.
