W 249	<p>PROGRAM IMPLEMENTATION CFR(s): 483.440(d)(1)</p> <p>As soon as the interdisciplinary team has formulated a client's individual program plan, each client must receive a continuous active treatment program consisting of needed interventions and services in sufficient number and frequency to support the achievement of the objectives identified in the individual program plan.</p> <p>This STANDARD is not met as evidenced by: Based on observation, record review and interview, the facility failed to ensure 1 of 3 audited clients (#5) received a continuous active treatment program consisting of needed interventions as identified in the person-centered plan (PCP). The finding is:</p> <p>Observation in the group home on 12/3/25 at 7:58 AM revealed client #5 to enter the medication room for medication administration. Continued observation revealed staff to retrieve and identify each of the client's medications before popping them into a medication cup. Further observation revealed staff to hand client #5 the medication cup and a glass of water, and for the client to take her medication independently. At no time was client #5 offered an opportunity to participate in her medication administration.</p> <p>Review of client #5's record on 12/3/25 revealed a PCP dated 5/30/25 which indicated a training objective for the client to participate in medication administration by pressing the correct medication out of the blister pack at 90% accuracy with no more than one partial physical prompt for three</p>	W 249	<p>QP or designee will retrain all staff on client #5's ISP and goals.</p> <p>QP or designee will retrain all staff on ensuring that all clients participate in medication passes including the opportunity to participate and receive education during each medication pass.</p> <p>QP/RM/Designee will complete 2 medication observations per week for 4 weeks.</p> <p>Target completion date: 1/2/2026</p>

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

W 249	Continued From page 1 consecutive months. Interview with the qualified intellectual disability professional (QIDP) on 12/3/25 confirmed client #5's training objectives are current. Continued interview with the QIDP confirmed staff should have provided client #5 the opportunity to participate in her medication administration.	W 249	This page intentionally left blank
