W0247	<p>INDIVIDUAL PROGRAM PLAN</p> <p>CFR(s): 483.440(c)(6)(vi)</p> <p>The individual program plan must include opportunities for client choice and self-management.</p> <p>This STANDARD is NOT MET as evidenced by:</p> <p>Based on observations, record reviews and interview, the facility failed to ensure 4 of 5 audited clients (#1, #2, #4, and #5,) received a continuous active treatment program consisting of needed interventions and services in sufficient number and frequency. The findings are:</p> <p>A. The facility failed to provide formal active treatment opportunities to clients #1 during the breakfast and dinner meal.</p> <p>Observations at the group home on 3/30/26 at 5:11 PM revealed client #1 was sitting in the living room with peers watching television until prompted by staff to participate in the dinner meal. Continued observations revealed staff to prepare and bring the prepared food and beverage to the dining table. Further observations revealed client #1 completed her dinner meal and staff did not prompt client #1 to bring her dishes to the sink. Additional observations revealed staff took the dishes to the sink.</p> <p>Observations at the group home on 3/31/26 at 6:40 AM revealed client #1 was sitting in the living room with peers watching television until prompted by staff to participate in the breakfast meal. Continued observations revealed staff to prepare and bring the prepared food and beverage to the dining table. Further observations revealed client #1 completed her breakfast meal and staff did not prompt client #1 to bring her dishes to the sink. Additional observations revealed staff took the dishes to the sink.</p> <p>Review of client #1's record on 3/30/26 revealed a person-centered plan (PCP) dated 10/26/25 which indicated a program goal to independently take the dirty dishes to the sink after each meal 80% of the time for 30 consecutive days.</p>	W0247	<p>W0247</p> <p>The facility will ensure all clients (#1, #2, #4 and #5) receive a continuous active treatment program consisting of needed interventions and services in sufficient number and frequency.</p> <p>Qualified Professional will in-service staff on active treatment and formal active treatment related to person supported programs. QP in-service on formal programs for #1, #2, #4 #5 and all others supported.</p> <p>The clinical team will monitor through Interaction assessments and Mealtime assessments 2x a week for 1 month and then on a routine basis to ensure all clients are provided continuous active treatment and formal active treatment.</p> <p>In the future, the Qualified Professional will ensure staff are providing active treatment, formal active treatment and engaging opportunities for all clients.</p>	5/31/2026

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
