NUMBER AND AMOUNT OF CURRENT PROJECTS AND PROJECTIONS

Note 1: Projections for the current fiscal year include some refunding bond issues which are sensitive to a change in interest rates in the market and therefore may or may not prove to be feasible. depending upon the particular set of circumstances for each proposed refunding

Note 2: There is no assurance that all of the projected debt will be issued as the completion of a financing is subject to the effect of circumstances

beyond the Commission's control and jurisdiction such as interest rate changes, decisions of the healthcare facility, construction schedules, federal tax regulations. State law, decisions and rules of various regulatory agencies as well as decisions of State and federal courts and actions of State and federal legislative bodies

Note 3: The amount projected to be outstanding at June 30, 2010 does not reflect scheduled amortization.
