

As requested, we have reviewed the new rulings in detail, and everything appears to be in good order on our end. We appreciate the clarity in the documentation—it made our review process smooth.

If there are any next steps you would like us to take or additional materials you need, please don't hesitate to reach out - we are happy to assist in any way we can.

Thanks again, and we hope to stay in touch!

Best regards,

Natalie DiGioia
